Terry's Bourbolicious

1 (12 fluid ounce) can frozen lemonade concentrate, thawed

1 (6 ounce) can frozen orange juice concentrate

1 cup white sugar

1 1/2 cups bourbon whiskey

2 1/4 cups brewed tea

6 cups water

Directions:

1 In a large gallon plastic pitcher combine lemonade concentrate, orange juice concentrate, sugar, bourbon, tea and water. Mix well and freeze overnight.

Pop-Pop enjoyed this drink when it was first developed. This was a big hit at the Moore family reunion July 2002 at the rented beach house in Duck, North Carolina. This recipe would be ok for teenagers to have during a hot day.
